Flex Early Promotion Campus Guidelines

Program Design

- ✓ Dates May 24 - June 4
- ✓ Students will remain in second semester schedule.
- ✓ The schedule will remain the same as it is during the regular school year with the exception of possibly reducing the number of lunches.
- ✓ Teachers who have class periods where all students qualified for early promotion will be assigned to assist in other classrooms.

Student Identification

The parents of students not meeting Early Promotion criteria as well as parents of students meeting Early Promotion criteria will be notified by letter and/or automated phone call as soon as the information is available.

The final day of the 2009-2010 school year is June 4, 2010; however, pursuant to the Flex Calendar waiver obtained by the District, students may qualify for Early Promotion by meeting the following criterion:

1. The student must have passed (70% or above) all subjects for both semesters
2. The student must have a 90% attendance rate as required by the state of Texas
3. Have passed all sections of the TAKS test.

If the scores from the TAKS test have not been received by May 21, 2010, a score of 70% or higher on a final TAKS simulation may be substituted for criterion #3.

If the student meets ALL of the criterion listed above, he or she will have earned Early Promotion and May 21, 2010 will be his/her last day of school for the 2009-2010 school year.

If the student DOES NOT meet the requirements listed above, he or she will be required to attend May 24 – June 4, 2010. These days have been set aside for intensive instruction and are listed on the school calendar as the “Flex Calendar Days”.

Credit

- ✓ Students must maintain 90% attendance in each class during Flex in order to gain credit.
- ✓ Grades for the semester are not final until the last day of instruction, June 4. Report cards will be printed and mailed to student attending Flex after grades are posted on June 4.
