

Dear Parents,

River Road ISD is pleased to announce the implementation of Family Access by Skyward, Inc. Family Access is a secure Internet based website that will allow you to easily keep track of nearly everything your student(s) does while at school. Among other things, this new service will allow you to view your student's attendance, grades, schedule, food service balance, progress, assignments, emergency information, and it will even allow you to help select your student's courses. Family Access is a free service and will be available to all parents with children enrolled in the district.

In order for you to begin using Family Access, you will need to register for a login and password. By signing and returning the attached form, you are authorizing River Road ISD to provide you with your unique login and password. You may return the form in person to the district office or mail it to:
